1. D/OS Testifies on the Hill

In response to inquiries by the Senate Select Committee on Intelligence, accompanied by the Deputy Chief of the Polygraph Division, testified before the Committee on 22 February regarding the use of the polygraph within the Agency. Feedback regarding the testimony has been very	25 X 1
positive; Senator Goldwater, Chairman of the Committee, made several laudatory comments. expressed his thanks to individuals in the Polygraph Division and the Policy and Plans Group for the strong, quality product provided him in preparation for the testimony.	25X1
2. In Search of Excellence	
expressed his satisfaction with the Office effort in the recent "Goals Exercise" and passed on the very positive reactions of the DDA and the DDCI regarding the	25 X 1
Directorate product mentioned that a task force will be formed to evaluate the entire package and subsequently address the bureaucracy issue, possibly recommending some downward delegation of authorities to "line supervisors."	25 X 1
